TO THE PRESIDENT, BOARD OF DIRECTORS AND STOCKHOLDERS OF MONTGOMERY WARD & COMPANY, INC.:

We have audited the accounts and records of Montgomery Ward & Company, Inc., Illinois Corporation, and of its predecessor, the New York Corporation, covering the year ending December 31, 1919 and submit Condensed Statement of Earnings for the year and Balance Sheet as at December 31, 1919.

The year's profits after providing for depreciation on buildings and equipment and for bad and doubtful accounts, but before providing for the 1919 Federal Taxes, amount to \$5,094,170.21, and after deducting the dividend on Preferred Stock for the year, amount to \$4,552,376.70. The Charter requirements for the protection of the Preferred Stock commence in the calendar year 1920. Inventories have been taken at cost or under. In our opinion the above Balance Sheet correctly sets forth the financial position of the Company as at December 31, 1919.
